

Prayer for The Week

Be still my children
My voice is not always
heard in the thunder and earthquakes
of your experience.

I do not only speak when you are
physically and mentally involved in living.
Be still - and in the stillness I will speak
when you are quiet
when you are resting
when you are aware of me pulsating within
you and around you
when you are waiting and listening
I will break through
and enrich your silence
releasing my peace and glory
and transforming your experience
until in the stillness
you find yourself longing
to shout for joy.
