PARISH ANNOUNCEMENTS

- On Tuesday this week will be the **Feast of St Bartholomew**, apostle. He is always in the company of Philip. Some scholars identify him with Nathaniel in John 1:47 where it is Philip who leads him to Christ. The **Memorial of St Monica** comes up on Friday. Monica converted her pagan husband, Patricius to the faith, and by her prayers and tears brought her son St Augustine to christianity and moral life. The **Memorial of St Augustine**, Bishop and Doctor of the Church, will be celebrated on Saturday, the day after the memorial of St Monica his mother. After his conversion to christianity, Augustine went on to become Bishop of Hippo where he lived in a community until his death in 430AD. His theological influence has been most significant in the Church, especially on the understanding of God's grace. He is also a named Patron of Theologians.
- The work to update our lighting has been successfully completed. The full cost of the job was paid for from the parish account. Thanks to all who were involved in ensuring the work went smoothly.
- Work is ongoing to open up the church windows to allow for increase ventilation inside the church. For many years the windows couldn't open because they had become stuck after being painted/vanished over.
- The parish has now acquired a fogging machine which is used to disinfect the church once a month. The chemical used (Zoono Microbe Shield Surface Sanitiser) is tested and proven to provide protection for up to 30 days. This eliminates the need for cleaning the pews after every Mass and gives our volunteers a much needed break from the routine.
- **Fr Bernardine will be on retreat during the week.** As usual the Holy Ghost Fathers will cover for him and any emergencies should be referred to them.
